## Professional Development Activities

---

The range of activities available to Chemeketa faculty and staff

The Center for Academic Innovation provides a wide range of professional development activities for faculty and staff, including:

- Multi-day institutes and boot camps
- Asynchronous workshops
- Synchronous workshops
- One on one consultation with a faculty development specialist

Veteran instructors may prefer to join a community of practice.

## Registering for Professional Development Activities

---

How to register for a professional development activity

Assumes the user is a Chemeketa employee with SSO credentials

1. Navigate to <https://facultyhub.chemeketa.edu/professional-development/>
2. Select the desired activity from the list
3. Follow the instructions for the specific activity presented

User will be presented with a list of activity options with buttons and hyperlinks that will direct them to more specific information on how to register.

## Inscripción en actividades de desarrollo profesional

---

Cómo inscribirse en una actividad de desarrollo profesional

Se asume que el usuario es un empleado de Chemeketa con credenciales de SSO

1. Navegue a <https://facultyhub.chemeketa.edu/professional-development/>
2. Seleccione la actividad deseada de la lista
3. Siga las instrucciones para la actividad específica presentada

Se le presentará al usuario una lista de opciones de actividades con botones y enlaces que le dirigirán a información más específica sobre cómo inscribirse.

## Universal Design for Learning Certificate

---

A micro-credential certifying an instructor's knowledge of and ability to implement the Universal Design for Learning framework

Universal Design for Learning (UDL) is a framework for applying principles of [Universal Design](#) to instruction based on a scientific understanding of how the brain learns. It supports inclusive instruction by incorporating flexible, multimodal strategies that increase engagement, understanding, and performance. [Learn more about the UDL guidelines.](#)

Chemeketa offers UDL-focused workshops on applying the principles of universal design to instruction and student services. Complete the entire series to earn the UDL Certificate offered by Center for Academic Innovation.

## Instructional Technology

---

List of technologies for which the CAI provides training

Name	Uses
